MEMORANDUM

TO: Ed Hunzeker, County Administrator

FROM: R. B. "Chips" Shore, Clerk of the Circuit Court 

DATE: December 2, 2009

RE: Payroll Distribution Audit for the Property Management Department

The Internal Audit Department has completed a Payroll Distribution Audit for the Property Management Department for the payroll period ending November 6, 2009. The audit consisted of a "surprise" physical distribution of pay checks or EFT stubs to employees on November 20, 2009 upon which they were required to provide photo identification. The purpose of this audit was to confirm the existence of all Property Management employees included in the current payroll system. Manatee County is in the process of implementing Workforce, a paperless timecard payroll system, and this test will ensure that the data to be transferred from the existing system to Workforce includes valid employees.

For the November 6, 2009 payroll, the Property Management Department employed 107 individuals. Internal Audit was able to confirm the existence of all these employees.

We would like to thank the staff at the Property Management Department for the cooperation given to the Internal Audit staff. An additional follow-up audit will not be necessary.
